Hello Waves Kids Parents!

Today in Waves Kids, we continued our new curriculum called The Bible Engagement Project!

You received a sheet today with our Bible passage, our Faith (memory) verse and our Faith Fact. **In class, Waves Kids learned that God has a plan for each of us that was set in motion from the beginning of time. There are times in our lives when we make wrong choices or make mistakes, but God is bigger than our mistakes. God will ensure that His plan is accomplished in our lives. Although we do not always know what God's plan is, we do know that God's plan is always best.** *Bible Lesson: Jacob, Esau, and God's Plan; Bible Engagement Project: Listen Kids, Vol. 2, Lesson 2*

I wanted to pass along some ideas for you on how you can engage with and encourage your child to dig into God's Word this week! (Coming soon, you'll have access to an app with family devotions!!) In the meantime, may I encourage you to:

- **Read this week's Bible passages together and discuss** (Genesis 25:19-26; 27:1-41). If your child can read, encourage them to look up and find the passage themselves and read aloud to you.
- **Have your child journal the verses most meaningful to them** (or draw them, depending on age of child) and discuss.
- **Ask:** What did this Bible passage make you think about? Do you think that God answers prayer? Can you think of a prayer that God has answered for you either recently or in the past? What is something you are praying for God to answer now? Do you trust Him to answer in His perfect way and timing? Did Rebekah? What kind of plans does God have for you? What promises does He give us when we pray? (see: Jeremiah 29:11-13)
- **Pray together.**
- **Review the Faith Verse together. 1 Thessalonians 5:24: God will make this happen, for He who calls you is faithful.**
